EDUCATION

Master in Space Geodesy
Moscow State University of Geodesy and Cartography
2004 – 2010

EQUIPMENT & SOFTWARE

Software	QINSy · Qimera · Autoclean · NaviScan (EIVA) · APOS
GNSS	Septentrio · Trimble · C-Nav · StarPack · Radio modems Satel & ADL
Multibeam	R2Sonic · Reson 8125H ·Kongsberg EM3000 · Geminy620P · Singlebeam ODOM E20
Underwater acoustic positioning	Kongsberg HiPAP 500 · HiPAP 352MGC
Pipe and cable tracking	TSS440 · TSS350
INS & Gyro	Rovins · Octans Subsea/Surface

CERTIFICATES

OGUK Medical
Valid until 16.12.2027

FOET
Valid until 16.04.2029

STCW
Valid until 13.10.2026

Schengen Visa
Valid until 27.11.2026

USA B1-OCS
Valid until 25.03.2028

EXPERIENCE

Freelance Surveyor
Cable lay and burial support for Prysmian Powerlink
06/2024 – Present Worldwide

Senior Surveyor
Jan De Nul Group
09/2012 – 04/2024 Worldwide

- Survey operations for subsea rock installation, cable lay and trenching
- Mobilization of WROV, Trenching spreads and Vessels
- Served as Survey Party Chief on various projects
- Support of various dredging operations

Surveyor

Romona

2011 – 2012 Russia, Vietnam

- Conducted hydrographic and topographic surveys

PROJECTS

Coastal Virginia Offshore Wind

05/2026 – 08/2026 USA

Surveyor on CLV "Prysmian Cable Enterprise"

- Simultaneous cable lay and burial operation with HydroPlow
- HydroPlow mobilization
- HiPAP Calibration
- WROV mobilization & Calibration

Coastal Virginia Offshore Wind

05/2025 – 04/2026 USA

Surveyor on CLB "Prysmian Ulisse"

- Simultaneous cable lay and burial operation with vertical injector
- Anchor handling

Coastal Virginia Offshore Wind

05/2025 – 05/2025 USA

Surveyor on tug "George Washington"

- PLGR survey

Tyrrhenian Link

02/2025 – 03/2025 Italy

Online surveyor on CLV "Leonardo da Vinci"

- Cable lay support. HiPAP calibration.

Sofia OWF

10/2024 – 11/2024 UKCS

Online surveyor on CLV "Leonardo da Vinci"

- Cable lay and trenching with HD3 plough

Lightning

06/2024 – 08/2024 United Arab Emirates

Online surveyor on CLV "Leonardo da Vinci"

- Cable lay support, touch-down monitoring with WROV

Lightning

11/2023 – 04/2024 United Arab Emirates

Online surveyor on MPV "Daniel Bernoulli"

- WROV and TROV mobilization, pre-lay mattress installation. Survey using WROV + TSS 440

Formosa I

08/2023 – 09/2023 Taiwan

Survey Party Chief on CLV "Willem de Vlamingh"

- Removal and installation of one inter-array cable

Changhua OWF Phase I

05/2023 – 06/2023 Taiwan

Survey Party Chief on CLV "Willem de Vlamingh"

- Export cable repair, trenching of 4 inter-array cables

Changhua OWF Phase I

02/2023 – 03/2023 Batam, Indonesia

Surveyor on CLV "Willem de Vlamingh"

- Mobilization of vessel and trencher PT-1 for upcoming project. General vessel maintenance.

Fecamp OWF

10/2022 – 12/2022 France

Survey Party Chief on MPV "Adhemar de Saint-Venant"

- Subsea rock installation using inclined fallpipe. Survey using vessel-mounted multibeam.

Kaskasi OWF

09/2022 – 10/2022 Germany

Survey Party Chief on MPV "Adhemar de Saint-Venant"

- Subsea rock installation using inclined fallpipe. Survey using vessel-mounted multibeam and USV Beluga 01.

HKN & Wa

09/2022 – 10/2022 Netherlands

Survey Party Chief on MPV "Adhemar de Saint-Venant"

- Trenching of export cables using TROV UTV1200. Burial survey with WROV-mounted TSS system.

Kaskasi OWF

04/2022 – 06/2022 Germany

Survey Party Chief on MPV "Daniel Bernoulli"

- Subsea rock installation using inclined fallpipe. Survey using vessel-mounted multibeam.

Neart na Gaoithe

11/2021 – 01/2022 UK

Survey Party Chief on "Simon Stevin"

- Subsea rock installation using fallpipe. Survey with FPROV.

Tortue

08/2021 – 09/2021 Mauritania

Online surveyor on MPV "Adhemar de Saint-Venant"

- Subsea rock installation using inclined fallpipe and side excavator. Survey using vessel-mounted multibeam.

Kaskasi OWF

08/2021 – 08/2021 Germany

Online surveyor on "Simon Stevin"

- Subsea rock installation using fallpipe. Survey with FPROV.

Akkuyu Power Plant

05/2021 – 06/2021 Turkey

Survey Party Chief on MPV "Daniel Bernoulli"

- Subsea rock installation using inclined fallpipe and leveling. Survey using vessel-mounted multibeam.

Changhua OWF Phase I

01/2021 – 03/2021 Taiwan

Surveyor on board THSD "Francis Beaufort"

- Mobilized vessel, directly supporting dredging activities across the project.

Kirinskoye GCF

06/2020 – 09/2020 Russia

Survey Party Chief on "Joseph Plateau"

- Subsea rock installation using fallpipe. Survey with FPROV.

Hainan II

12/2019 – 02/2020 China

Online surveyor on "Joseph Plateau"

- Subsea rock installation using fallpipe. Survey with FPROV.

Northwester 2

11/2019 – 11/2019 Belgium

Online surveyor on CLV "Isaac Newton"

- Installation of inter-array cables

Jindo & Jeju Island

07/2019 – 08/2019 South Korea

Online surveyor on "Joseph Plateau"

- Subsea rock installation using fallpipe. Survey with FPROV.

Hainan II

03/2019 – 05/2019 China

Online surveyor on "Joseph Plateau"

- Subsea rock installation using fallpipe. Survey with FPROV.

Trans Adriatic Pipeline Project

11/2018 – 12/2018 Italy

Online surveyor on MPV "Adhemar de Saint-Venant"

- Installed offshore monopiles and sheet piles, enhancing structural integrity.

NASR Field

10/2018 – 11/2018 Abu Dhabi, UAE

Online surveyor on MPV "Daniel Bernoulli"

- Subsea rock installation using inclined fallpipe. Survey using vessel-mounted multibeam.

Malampaya Gas Export Pipeline

07/2018 – 08/2018 Philippines

Online surveyor on "Joseph Plateau"

- Subsea rock installation using fallpipe. Survey with FPROV.

NASR Field

06/2018 Abu Dhabi, UAE

Online surveyor on MPV "Daniel Bernoulli"

- WROV and TROV mobilization, pre-lay mattress installation. Trenching operations. Survey using WROV.

Sabetta

07/2017 – 08/2017 Russia

Surveyor. Dredging of seaport Sabetta.

- Follow-up dredging operation. Installation of tide gauge.

North Sea

05/2017 – 05/2017 UK

Online surveyor on "Simon Stevin"

- Subsea rock installation using fallpipe. Survey with FPROV.

AB4 Pipeline

02/2017 – 04/2017 Bahrain

Surveyor. Trenching and backfilling works with backhoe dredger.

- Start-up of the project, installation and calibration of survey vessel, base station and tide gauge, follow-up dredging operations.

Abu Qir Port

10/2016 – 12/2016 Egypt

Surveyor. Development of Abu Qir Port by deepening and widening of the channel approach.

- Follow-up dredging operation + final out survey

Sabetta

07/2016 – 10/2016 Russia

Surveyor. Dredging of the seaport Sabetta, shipping approach channel in the Ob Bay.

- Follow-up dredging operation

Lekki

01/2016 – 05/2016 Nigeria

Surveyor. Civil construction of a petroleum refinery plant.

- Executing topographic and hydrographic surveys. Follow-up of settlement gauges and plates.

Klaipeda Port

09/2015 – 11/2015 Lithuania

Chief Surveyor. Maintenance dredging works of the basin of Klaipeda Port.

- Follow-up dredging operation + final out survey. Charting and volume calculation.

Turkmenbashi Port

06/2015 – 08/2015 Turkmenistan

Surveyor. Dredging and disposal works for Turkmenbashi seaport.

- Follow-up dredging operation + tender surveys.

Kapuk Naga Jakarta

04/2015 – 05/2015 Indonesia

Surveyor. Dredging and reclamation of sea sand for construction of Island 2B.

- Topographic survey of reclamation area. Executing hydrographic surveys.

North Sea

12/2014 – 02/2015 UK

Online surveyor on "Simon Stevin"

- Subsea rock installation using fallpipe. Survey with FPROV.

North Sea

10/2014 – 11/2014 Denmark

Online surveyor on "Simon Stevin"

- Subsea rock installation using fallpipe. Survey with FPROV.

Piltun, Sakhalin

09/2014 – 10/2014 Russia

Online surveyor on "La Boudeuse"

- Freespan remediation on two oil pipelines. Subsea rock installation using fallpipe. Surveys with FPROV.

Ayatsil

06/2014 – 08/2014 Mexico

Online surveyor on board CLV "Willem de Vlamingh"

- Installation and burial of infield power cables. Survey with WROV.

Java-Bali Submarine Cable

02/2014 – 04/2014 Indonesia

Online surveyor on MPV "La Boudeuse"

- Subsea rock installation using fallpipe. Surveys with FPROV.

Piltun, Sakhalin

07/2013 – 09/2013 Russia

Online surveyor on MPV "La Boudeuse"

- Subsea rock installation using fallpipe. Surveys with FPROV.

Sabetta

07/2013 – 09/2013 Russia

Surveyor. Dredging of seaport Sabetta.

Gorgon Project

11/2012 – 06/2013 Australia

Online surveyor on board "Willem de Vlamingh"

- Installation of subsea rocks along the Gorgon pipelines & umbilicals. Surveys using vessel-mounted multibeam.

Tatar Strait, Sakhalin

09/2012 – 10/2012 Russia

Online surveyor on MPV "La Boudeuse"

- Subsea rock installation using fallpipe. Surveys with FPROV.
